

HARMONY BRIGADE COVID-19 RISK TOLERANCE SURVEY

1. In general, what is your overall (not just at a Harmony Brigade Rally) level of concern about getting infected with COVID-19 or unknowingly spreading it to others? (1-not concerned, to 5-extremely concerned)

1 2 3 4 5

2. How concerned are you about getting/spreading COVID-19 infection through participation in a Brigade Rally? (1-not concerned, to 5-very concerned)

1 2 3 4 5

3. Would you be less or more likely to attend a Rally if the Brigade required proof of one of the following for all participants? (1-more likely to attend, to 5- less likely to attend)

having received an approved COVID-19 vaccine series, OR
evidence of recovery from COVID-19 with a subsequent recent negative virus test, OR
a current positive COVID-19 antibody test.

1 2 3 4 5

4. As of today, how likely would you be to participate in your usual Brigade Rally if it was held in: (1-not concerned would attend, to 5-very concerned, would not attend)

- | | | | | | |
|-------------------------------------|---|---|---|---|---|
| a. April, May, June 2021 | 1 | 2 | 3 | 4 | 5 |
| b. July, August, September, 2021 | 1 | 2 | 3 | 4 | 5 |
| c. October, November, December 2021 | 1 | 2 | 3 | 4 | 5 |
| d. January, February, March 2022 | 1 | 2 | 3 | 4 | 5 |

5. If the Brigade Rally you usually attend was canceled due to the virus, how likely would you be to attend another one farther away? (1, likely to attend, to 5-not likely to attend)

1 2 3 4 5

6. If the Barbershop Harmony Society would determine that it is safe to sing in groups and safe to attend and participate in a live BHS convention/contest, would you be willing to attend and participate in that event?

YES NO

For the next questions, assume that the _____ Harmony Brigade were to have a Rally in the near future and it was planned and held as you have come to know it:

7. Which of the following safety precautions would you be willing to accept and do yourself to be more or less likely to attend your usual Brigade Rally in the next year? (1-more likely to accept/attend, to 5-still not likely to accept/attend)

a. Participate in temperature, pulse-oximeter, and self reported virus symptom checks on arrival and each morning of the brigade, and restrict myself from further participation if I show potential virus symptoms or fever.

1 2 3 4 5

b. Get a Covid-19 test immediately before the Rally and bring my negative test results with me.

1 2 3 4 5

c. Having no public show or school/nursing home sing-outs

1 2 3 4 5

d. Limiting the number of participants to 60 or what local rules/requirements may be.

1 2 3 4 5

e. Properly wear a mask and maintain at least 6' social distancing during all activities as guided by the Brigade's policies.

1 2 3 4 5

f. Register and attend Rallies that are "local" so that I wouldn't have to fly or take public transportation.

1 2 3 4 5

g. Pay for and stay in a single room.

1 2 3 4 5

h. Eat meals by myself (use of box lunches, meals on my own, or staggered meal times, etc. to help protect each other.)

1 2 3 4 5

i. only use an electronic pitch pipe.

1 2 3 4 5

8. Your age range: (please check one)

under 25 25-35 36-45 46-55 55-65 66-75 over 75

Any suggestions on safely re-opening the _____ Harmony Brigade?

Thank you for your time and your answers. Your input will help the _____ Harmony Brigade make decisions about future Brigade Rallies.
